

JAYANT CHOUDHARY

FRONTEND DEVELOPER

 +91 8905812872  jayantchoudhary.space  jayantdeveloper1@gmail.com

Frontend Developer specializing in React.js and Next.js with experience building modern web applications, dashboards, and high-converting landing pages. Skilled in translating Figma designs into pixel-perfect, responsive interfaces while maintaining performance, accessibility, and scalability. Passionate about crafting intuitive user experiences and building products that are both visually appealing and functional.

EXPERIENCE

Frontend Developer - ADZVORTEX

Aug/2025 - Jun/2026

Developed responsive user interfaces with modern frontend technologies, collaborating with design and backend teams to integrate APIs and deliver high-performance, visually engaging web applications.

Frontend Intern - DATAWAVES

Oct/2024 - Mar/2025

Built responsive UIs with modern frontend tools, integrating APIs and collaborating with teams to deliver fast, visually appealing web apps.
